

Dear APTI Members,

It is a moment to cherish that Association of Pharmaceutical Teachers of India (APTI) has been able to collaborate with Rajiv Gandhi University of Health Sciences(RGUHS) for the conduct of effective workshop. It has been designed to give the teachers an insight in their subject of specialization. Lot of input has gone to prepare the modules of the workshop. Dr. Munir the man popular for skill development and Dr. Raman Dang, BOS chair PG studies RGUHS plus the Secretary of APTI have embedded the best. This time the specialization chosen are

Group 1 : Pharma chemistry, Quality Assurance, Pharma Analysis

Group 2: Pharmacognosy, Bio technology and Regulatory affairs. **Kindly depute your two to four staff members** as per your convenience. The entire local hospitality will be taken care by the University. APTI has come forward to provide basic TA/DA. This will enable our teachers to learn the various intricate concepts involved in specialization. It is a certificate course which will credit you for your professional growth and acclaims.

APTI RGUHS have already conducted an effective module for Pharmaceutis and Pharmacology in Phase I

APTI will be providing the following sum and two tier train fare or bus fare which ever is cheaper. There will be three contact sessions in the three month online course. The details with the entire schedule is attached for your perusal and reference.

Early confirmation along with the scan copy of the registration form will help us organize better.

Kindly do the needful on or before 13th January. We assure the modules will cover all the practical aspects to make the teaching learning process a delight.

Email your Confirmation marking CC to all the below mentioned mails:

1. Mr. Hari.G : aptienquiry@gmail.com Phone: 9844399409
2. Dr. Raman Dang : dangraman2000@yahoo.co.in Phone: 9945846106
