

Association of Pharmaceutical
Teachers of India (APTI)

APTI AWARD BOOK 2026

Last Date to Submit
20th July, 2026

About Association of Pharmaceutical Teachers of India (APTI)

Association of Pharmaceutical Teachers of India - An association founded by the pioneers of Pharmacy education in India in 1966 by leading personalities like Prof. M. L. Schroff, Prof. G. P. Srivastava and others, has come a long way in creating better intercommunication and promotion of excellence in pharmacy education. Through its tailor-made mission and objectives, the association has provided a single platform in bringing together teachers of pharmacy education from all over the country. This has helped in the achievement of various quality assurance parameters and to apply new technological methods in pharmacy education through the exchange of views amongst the teaching faculty. With the rapid progress of the profession of Pharmacy in its different facets, there is an urgent necessity of a dynamic knowledge body with up-to-date pedagogical tools to create the human resource with appropriate skills to match the contemporary requirements.

The APTI being the apex body of teachers and being the fountain head for variety of quality human resources have to fill up the gaps consistently to keep the Pharmacy teachers up to date and meaningful to a variety of opportunities available in the current and future times.

APTI today has more than 16,500 life members apart from a sizeable number of associate life members and student members from all over the country. The association with its activities is providing a robust platform for the bouncing avant-garde ideas of the members in the academic fields through newer teaching methodologies, fabrication of tools, computer aided drug designs and other applications through interaction with industry, hospitals, regulatory bodies and community pharmacy. Although many of the goals have been achieved, many more are yet to be conquered. More heights need to be scaled. The efforts of the association in encouraging and supporting its members achieving such milestones, have always been well appreciated.

Every year APTI is conducting conventions at different parts of India. The first at Mysore Karnataka to the Twenty seventh held at Utkal University, Bhubaneswar.

APTI is one of the federating bodies under the umbrella of Indian Pharmaceutical Congress Association (IPCA). APTI has thrice organized the Mega event Indian Pharmaceutical Congress (IIT BHU, Varanasi 2007, SRM, Chennai 2012, Chitkara University Near Chandigarh, 2017), and now in 2025 at BIEC, Bengaluru which attracts more than 9000 participants from all over the globe.

Objectives

- To identify specific objectives of the profession and to define the objectives of Pharmacy Education for the coming years.
- To protect the interests of Pharmacy Teachers in general.
- To bring the Pharmacy teachers on one platform regularly to discuss various issues of Pharmacy Education.
- To develop the Methods & Techniques to impart Quality Education in Pharmacy Profession.
- To discuss the current needs of Pharma Industry and the society at large, and to modify the syllabus pattern according to the needs of industry and the society.
- To honour the best Teachers, Principals, and Researchers for their contribution to Pharmacy Education & Research and Community Service annually.
- To establish APTI - Shree B.M. Reddy Pharmacy Training Institution at Bengaluru to impart continuing Education Programmes needed for updating knowledge of Pharmacy Teachers.
- To project APTI as the only voluntary agency to be consulted by the Govt. of India, respective State Governments, and the Statutory bodies like PCI in all the matters related to Pharmacy Education.
- To build up rapport with regulatory bodies, Central Government, State Governments, Pharmaceutical Industries and Professional bodies.
- To spread the awareness of Pharmacy Profession in the Society, arranging various camps, public lectures, exhibitions etc.
- To provide information regarding job opportunities in Pharmacy Education.
- To publish quality books of Teacher lumanaries.

Objectives

- To publish the journals Indian Journal of Pharmaceutical Education and Research and Indian Journal of Pharmacy Practice.
- To Publish quarterly APTI's Women Forum Newsletter and APTI Bulletin.
- To make available the published papers of the life members on internet.
- To create database directory of Pharmacy institutions and life members of the Association.
- To undertake projects from or in co-operation with Central / State Governments, Industry or other bodies.
- To issue appeals and applications for money and funds in support of the said objectives and to accept gifts, donations. Subscriptions of cash and securities or of any property, both movable and immovable.
- To acquire purchase, invest and deal with funds and money of the Association.
- To acquire, purchase or otherwise or take on lease or hire temporarily or permanently, any movable or immovable property as may be necessary or convenient for the furtherance of the activities of the Association.
- To sell, buy, mortgage, lease, exchange and otherwise transfer or dispose off all or any property movable or immovable of the Association for the furtherance of the objectives of the association.
- To construct, maintain, alter, improve or develop any building or work which maybe necessary or convenient for the purposes of the Association.
- To undertake, create, and accept the management of any endowment or trust funds or donations.
- To do all such other lawful things as are conclusive or incidental to the attainment of the above objectives and in furthering the growth of the Association.

Commitment

- To nurture the next generation of pharmacists who demonstrate: Uncompromising focus on advancing patient care, Dedication to the industry / pharmacy where he or she works, Strongest commitment to advancing the pharmacy industry overall through innovation.
- To strengthen and upgrade the pharmacy curriculum to produce a competent pharmacist workforce which is able to meet the growing demands of the industry and community.
- Revolutionize the pharmacy education system to meet the growing demand of the profession by ensuring competent workforce.
- To train Pharmacy professionals both clinically and technologically in which they can face global challenges. As the next-generation pharmacist will no longer be a mere dispenser of drugs, but will have a crucial role in management of patients and as a community pharmacist.
- To produce high quality pharmacist workforce to suit the needs of the industries, Community and Pharmacy Regulation.

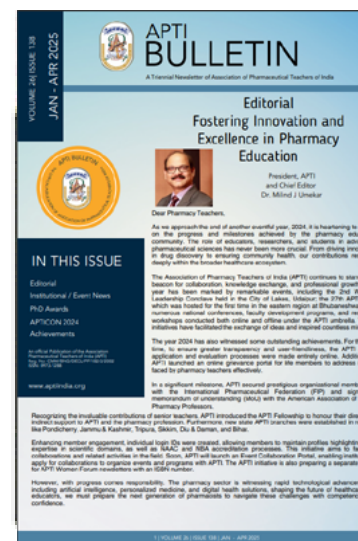

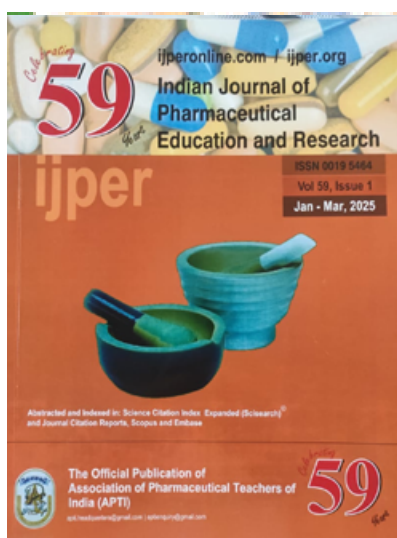

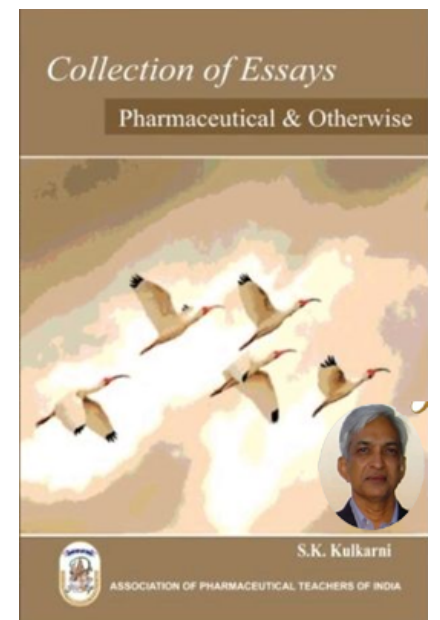

Publications

APTI is regularly publishing two journals of great repute, Indian Journal of Pharmaceutical Education and Research (IJPER), Indian Journal of Pharmacy Practice (IJOPP) and Woman Quarterly bulletin under its belt. APTI Bulletin is released quarterly which gives the members a platform to highlight their achievements. APTI also has a strong Continuing Education cell which is helping young teachers to become good educators.

APTI is proud to publish the following books:

1. Views and Reviews Vol. I by Dr. Harkishan Singh.
2. Views and Reviews Vol. II by Dr. Harkishan Singh.
3. Law of Inventorship in the Health Sciences by Sankar Sundaram.
4. Fair Play by Dr. S.K. Kulkarni.
5. Editing Pharmacy by Dr. B.D Miglani.
6. Reflections by Dr. H.P Tipnis.
7. Pharmacist Digest by Dr. B.D Miglani.
8. Controlling Use Patent Case Laws by Sri Sankar Sundaram.
